Adventure Description

If you love exploring, you will love the scavenger hunt at Unicoi State Park. Our unique twist to this adventure is teaching guests how to use a GPS device and sending them into one of the most beautiful environments in the northeast Georgia mountains. This is truly fun for all ages. The activity teaches exploration and navigation and will ultimately lead you on a great adventure if you follow the correct path with the help of the GPS coordinates. Guests will be taught how to get started, stay safe and read the GPS provided by Unicoi Adventures. A prize awaits when you return after visiting each site along the trail.
